

Brunno Peres

PHP WEB DEVELOPER

Website: www.brunnoperes.com

Email: info@brunnoperes.com

LinkedIn: <http://www.linkedin.com/in/brunnoperes>

Summary

A highly resourceful, innovative, and competent web developer with extensive experience in the layout and coding of websites specifically in PHP format. Possessing considerable knowledge of the development of web applications and scripts using PHP programming language and MySQL & SQL Server databases, with years of experiences working with front-end development as well. Experienced in developing applications and solutions for a wide range of corporate, charity and public sector clients and having the enthusiasm and ambition to complete projects to the highest standard. Looking for a suitable developer position with a ambitious & exciting company. Continually seeking to stretch my personal development by keeping on top of emerging trends and technology.

Skills & Proficiencies

- Solid knowledge of PHP with basic experience in Laravel framework.
- Deep knowledge of Wordpress and experience with Shopify.
- Experience with .NET and ASP.NET.
- Understanding of object-oriented programming.
- Solid knowledge of HTML5, CSS3, Javascript and jQuery, AJAX, JSON, responsive development, and Adobe Photoshop.
- Knowledge of databases: MySQL and SQL Server.
- Experience in common third-party APIs (Facebook, Instagram, Twitter and YouTube).
- Understanding of browser rendering behavior and performance, and cross-browser compatibility issues.
- Quick learner and ability to learn new concepts. Ability to multi-task and react quickly to shifting priorities.
